

## WELCOME TO SEA VIEW PEDIATRICS

Thank you for choosing Sea View as your Pediatric Group. We are a medical practice of twelve Board Certified Doctors. We are dedicated to providing personalized and comprehensive health care to your infant, child, and adolescent.

In this packet you will find the necessary paper work that is required for your first visit. In addition, we ask that you personally contact your insurance company to confirm your coverage, deductible, and/or copayments for well care and routine exams. Insurance coverage is your responsibility. Please remember to bring your current insurance card to your child's first visit.
